Objekt in Mukran

54° 28' 56"E 13° 34' 09"N

2020-09-30

Mukran is located on the island of Rügen, in Mecklenburg-West Pomerania, Germany.

Here was one of the most important ports (Sassnitz) and a popular holiday destination for the citizens of the GDR.

After the fall of the Berlin Wall and the opening of the borders, many objects were abandoned and fell into disrepair.

This is one of those "lost places".

Born 1959 and raised in Vercelli (Italy), I produce images since 1975, mostly pictures and graphics.

I lived in Vercelli, Italy, Berlin and Bad Hersfeld, Germany. Since 2015 I live in south Sweden.

Since 2009 I'm active as a full-time media artist, with paintings, photographs, video, digital art, sculptures. Sometimes I write lyrics.

Between 1978 and 85 I had a cooperation with the magazines "The Dark Side" and "Circolo Pickwick", I was also co-founder by the project of the magazine "Mixed" and directed the art-zine "Audax".

Since 1987 began my collaboration with Studio Dieci, for which I was active as rapporteur on image processing.

Since 1978 I am interested in computer graphics.
